Love & Friendship in Picture Books

Children’s literature is chock-full of wonderful examples of friendship. The relationships between best friends like Winnie the Pooh and Christopher Robin, Dog and Frog, and Toot & Puddle teach lessons about loyalty, commitment, companionship—and love.

I’ve picked out a few of my favorite books on love and friendship to share with you! Each book on this list teaches an important lesson about what it means to be a true friend.

Print out our list of favorites and head to your local library to check them out. You never know what you and your child will learn about being a good friend!
